Synopsis: Interlock ignition devices. Makes tampering with an ignition interlock device a Class B misdemeanor under certain circumstances. Requires a court, in granting probationary driving privileges to a DUI offender (except an offender with no prior conviction), to prohibit the offender from operating a motor vehicle unless the vehicle is equipped with a functioning certified ignition interlock device. Provides that a court may order installation of an ignition interlock device as: (1) a condition of certain deferred prosecution programs; (2) an alternative to an administrative driver's license suspension; and (3) a condition of participation in a postconviction alcohol abuse deterrent program.

Effective: July 1, 2004.
